Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	We wish to register our support for the proposed variation to the plans. The new location is nestled among existing trees, which will be a more visually appealing setting, and the new orientation will offer improved privacy for the future occupants of the new build properties, in comparison to the previous orientation which directly faced into their living/sleeping rooms.

Kind regards
