Stance: Customer made comments in support of the Planning Application

Reasons for comment:

Comments: We would like to submit our support for the revised plans, detailing the care home placement close to the old Hurst Farm site, all traffic access via Hurst Farm entrance off Turners Hill

Road rather than Wychwood Place, and emergency access only via Wychwood Place.

Not only will this ensure the continued safety of existing residents, but provide security for all of us that have invested in our homes and create a cohesive neighbourhood.

Kind regards
