Dear MSDC,

I live in Ansty & Staplefield Parish and want to voice my support for application DM/26/0454. Land Parcel At, Bolney Road, Ansty, West Sussex

Over the past few years, I've seen several local families struggle to find suitable homes in the parish. Many want a 2 or 3 bedroom house so they can stay close to relatives, schools, and long-established community ties. Without developments like this one, we lose those families to nearby towns and villages.

This proposal helps address that problem and strengthens our long-term community.

I fully support it.

Best wishes,
