Details of the pre-application advice received

Thank you for the below email. Unfortunately these details weren't included as part of the application and condition 3 of the permission states:

"No external materials shall be used other than those specified on the approved plans and application form without the prior approval of the Local Planning Authority.

Reason: To protect the appearance of the building and the area and to accord with Policy DP26 of the Mid Sussex District Plan 2014 - 2031."

As such it is my opinion that consent would be required. I would recommend submitting a variation of condition application to vary condition 3 to include the proposed works. Below is a link to our webpage where you can apply.
