Hi Anna

Yes, that is acceptable. My apologies that I overlooked this in the brochure previously, it is not particularly clear!

Thanks,

Emily

Hi Emily

I have received the attached email with glazing bar details for this DISCOND application. Please can you review and confirm if acceptable?

Thanks
Anna

Dear Anna

Having review the request from the conservation officer and double checked the glazing information we have attached a PDF with highlighted in red on page 5 a section through the glazing bars of the proposed Smart Alitherm Heritage system.

Page 5 shows what we think is being requested.

Can you confirm this is what is required and provide any comments please?

Many thanks,

Ben Phillips

Many thanks Anna.

We will provide that information asap. Many thanks for the update.

Provided that the details are acceptable for the glazing bars when might the client expect formal approval so they maybe progress with orders/installation please?

Thanks,

Ben

Dear Ben

I have received the attached comments this morning from Emily Wade, Conservation Officer, regarding the submitted details for the above Discharge of Condition application.

Please can you address Emily's comment that glazing bar details appear to be missing for the proposed windows and doors. Please can you provide a typical cross section for consideration.

Once this has been submitted, and reviewed, I should be in a position to formally write to you to discharge the planning condition.

Regards
Anna

Hi Anna

Comments on the above discharge conditions application.

Windows and External Doors – the details as submitted are acceptable, other than that I can't see any detail of the glazing bars? A typical section should be provided.

Rooflights – the details as submitted are acceptable.

Thanks

Emily
