Dear Clive

I am sorry for my delayed response, as I have had an extremely heavy workload since my return to work, after a lovely break.

I have reviewed the two attachments that accompanied your email and I have found that they are a repeat of the same memo, see attached.

I do not appear to have received the revised drawings, contextual street scene or a photo?

Please can I request that you send me the full set of drawings/submissions in full so that I may arrange for the readvertisement?

Thankyou

Regards

Anna

Anna, hope you enjoyed your holiday?

AS promised I attach a short memo covering the points you raised together with drawings and a photo.

The drawings will be sent as a separate email within the next hour so everything should be on your desk/pc waiting for you!

Dear Clive

Thank you for arranging access into this property this morning.

Further to my phone call I look forward to receiving a Street Elevation to show the relationship of the proposed extended building relative to the neighbouring house at No 18 and bungalow at No 22.

For assistance it will also be **helpful if you can indicate an outline of the existing eaves and ridge heights of the current dwelling on each of the proposed elevations. This will assist my understanding of the proposed eaves and ridge height increases.**

We discussed the external materials and I understand that your clients will revert to using the existing brick and tile finishes on the extended dwelling (rather than the illustrated change to painted rendered walls and a slate roof). **Please can you adjust the annotations on the Proposed Elevations accordingly.**

I shall be pleased to receive the **Amended Plans by 12th May 2025**, when I shall return from a weeks leave, for readvertisement. In the meantime, please confirm your agreement to an **Extension of time for the Decision Target Date to 10th June 2025** to allow for the advertisement period to pass.

Dear Mr Stillman

I am sorry for the short notice. I am writing to confirm that I intend to carry out my site visit to assess your client's application early **tomorrow morning, Friday 2nd May 2025**. I am on leave from work next week, so I shall be grateful for the opportunity to visit tomorrow, which will allow me time to write my report with a recommendation for a decision before the Decision Target Date of 9th May 2025.

I do not need to meet anyone there, but I will need to enter the garden area. The visit should not take longer than 30 minutes. I will take photographs of the building and the surroundings to assist in my report writing. **Please ensure any access gates are unlocked and openable.** If there is any reason why your clients would rather I didn't visit then I shall be pleased if you can advise me as soon as possible.

I look forward to hearing from you regarding my visit.

Thank you.

Kind regards

Anna
