Subject: Planning Application No DM/25/0331

[REDACTED]
I am writing to comment on Application DM/25/0331, a proposed extension to 35 Blunts Wood Road, Haywards Heath, West Sussex RH16 1ND

I live at No 41 Blunts Wood Road, RH16 1ND which is a property adjacent to No 35 Blunts Wood Road; therefore our gardens are at right angles to each other.

Firstly any extension to the ground floor of their building would bring it very close to my garden. As they like to use their garden for entertainment, this would have a significant noise impact on the use of myspace.

Secondly, any upward extension or additional opening for daylight to the first floor would be intrusive to my privacy. Currently, they are unable to see into my garden, but the proposed extension would not only mean they could see right into my garden but also give them a view into my neighbour's garden, No 43, which they currently can not do.

In conclusion, I oppose the application. If they need to extend their property, they could easily do so to the front of the house which would not affect anybody

Yours Faithfully
