Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The Manse's objection to the increased size of second window on south elevation still stands. The window is on the boundary line - and would, on the proposed plans, look directly into a bathroom. The increased size of the window in the location it is proposed, will significantly affect the privacy of my property, with direct visibility, albeit obscured glass, into my private space.

Kind regards
