Author:

David Bennett B.Sc. (Hons) MRICS ('the surveyor')
Architecture Manager
Domus Design and Construction Ltd.

Project description:

Date:

Replacement sliding sash windows 28th May 2025

Document Title:

Heritage Statement

Statement:

The existing windows have deteriorated and are not able to be effectively repaired.

The replacement windows will be traditional box sash windows constructed from timber in a traditional joiner's workshop in Brighton.

There will be no perception of any change in appearance.

End of statement.
