Hi Anna

Upon my visit to the location, I found that they already have space for waste bins, as you can see in the attached photos.

However, they are commercial waste bins but will have enough space for 2 x 240L and 1 x 23L.

Kind regards

Piers Rajapakse

Dear Piers

Thank you for speaking with me about the MSDC waste disposal arrangements for this site.

Please see the Site Plan and Proposed dwelling plans, as submitted for current planning application DM/25/2155, for which I am the Case Officer.

All of the documents for the application can be viewed under planning reference DM/25/2155 via the Planning Online Register, on the MSDC website, via the following link: [Simple Search](#)

I would like to know if the proposed waste collection provisions for the existing restaurant/flat and the proposed new dwelling at the rear of the site will be adequate and appropriate? The applicant's agent has made the following comments on the matter....

'I believe a neighbour has raised the issue of refuse collection and confirm I do not consider the current arrangement for the restaurant cannot be maintained adjacent to the lane with the refuse bins for the proposed dwelling being located adjacent to the proposed dwelling kitchen door.'

I appreciate that you cannot comment on the commercial waste arrangements for the existing restaurant, but I am interested to know if the proposed new dwelling and the existing flat will be appropriately provided for, what means/facilities for waste disposal are required and how the waste disposal vehicle would serve the two residential units, if the proposed new dwelling were built?

Thank you for looking into this for me and for your advice.

Kind regards

Anna

Dear Laura/Piers

Thank you for your email.

I have yet to receive a reply to my question from 07.05.2026, see the email chain below.

Please can you provide me with your advice?

Thank you.

Regards

Anna

Hi Anna

I've forwarded these to Piers, Waste CMO for this area to see if he's the correct person to deal with this.

Kind Regards

Laura

Dear Waste Management Colleagues

I was hoping to consult you on this planning application, and in particular the proposed waste collection provisions for the existing restaurant and a proposed new dwelling at the rear (see comments from applicant's agent in the email below....

I am on leave until 18.05.2026, but can you confirm if this is the correct email, who at MSDC handles this matter and provide your advice?

Thank you.

Regards

Anna
