Hi I should like to object to the above planning for Woodlands Close it is ridiculous I have lived in woodlands Close for over 50 years the congestion in the road now is awful cars parked all the way down to hazel way no ware to stop to allow cars to pull in and avoid on coming cars. There will be cars going towards Felbridge down woodlands close and cars going towards East Grinstead along Kiln road will be an absolute nightmare there must be other options .  
Regards [REDACTED] (50 Woodlands Close )
