Re: DM/24/3121 Location: Fairhaven Abberton Field Hurstpierpoint Hassocks Desc: 1 x Oak - Fell

I object to the felling of this Oak tree because it is the most significant tree in Abberton field and felling it will vastly detract from the appearance of the immediate area. The tree, being the largest and probably the oldest, is important in attracting a lot of wildlife. The tree is large but has been trimmed in the last 18 months to manage its shading and overhang. While it is recognised that this Sussex Oak is within Fairhaven's garden it is also a small, but important part of the conservation area.
