Reasons for comment:	
Comments:	I wish to support Application DM/24/3034 The property would fit in with the environment and complement other properties in the immediate area. The existing tennis court on which the development is proposed has long since become unusable and unsightly. The proposed access is to be relocated further north than the existing entrance, giving excellent visibility splay which would

more than meet the requirement.

Permission has been granted for a detached house to be built either side of Batchelors Farmhouse, further north in Keymer Road, therefore this application is fitting, and should be granted. Strategic Gap Policy does not seem relevant to this application. Kind Regards.

Kind regards
