Dear Sam

Thank you for your email.

I can confirm that I would like the opportunity to talk to you about the application, but I have yet to review the submissions in detail. I will need to carry out my site visit to assess the proposed plans in context.

I could be available to meet with you at 1pm at No 57 The Broadway on 08.06.2026, if that time and date will suit you?

Whilst writing I attach for your information the comments I have received today from Jane Cooper, Environmental Health Officer. Please can you discuss her request for further information with your clients and reply to the questions and points that she has raised?

I look forward to hearing from you.

Regards

Anna

Hi Anna,

Thank you for the email. We will monitor the Mid Sussex applications page also.

I wonder whether we should schedule in a catch-up for W/C 08/06 to see where we stand with everything and any comments / concerns you might have on the application.

Are you around that week for a brief catch-up?

Kind Regards,

Sam Sykes

Dear Sam

Please see attached the consultation response letter received yesterday from Southern Water for this application, for your information. I have now consulted SE Water on their advice. Any comments they wish to make should be with me by 08.06.2026.

All other consultee replies should be with me by 27.05.2026. As the consultation responses are received they will be saved to the online planning register, which can be accessed via the MSDC website via the following link [Simple Search](#).

I will be in touch with you in due course to arrange my site visit.

Regards
Anna
