Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Again, little or no consideration to access, deliveries, community needs. Another convenience store in the village is unnecessary when it could be better utilised elsewhere.

Traffic, parking, access for deliveries are all issues at present, let alone with another establishment adding to the chaos.
Disturbance and invasion of privacy for existing properties.

Kind regards
