The<br/>information in this report does not account for installation<br/>considerations, site conditions or provide any form of risk<br/>assessment. Urbis' design service is advisory only and it is the<br/>responsibility of the recipient of this information to verify that<br/>the design is suitable for the intended application. No<br/>account is taken for the blocking effect caused by buildings,<br/>trees etc. The calculation shown assumes that the whole area<br/>considered is in the same plane.</p> |                                  |
