Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>Yet again, more planning applications from here, that will increase the traffic on a very small road.</p> <p>This would mean heavy construction traffic, and then an increased volume of traffic from any subsequent dwellings, on a very small road used by dog walkers, cyclists and horses, posing a very real threat of serious accidents or death.</p> <p>Any related traffic could also pose a threat to school children from Hurst College if coming past from that direction.</p> <p>This road also floods very frequently in this area, and the site likely to flood.</p>

Kind regards
