Reasons for comment:	
Comments:	Having even more new build homes that hardly anyone can afford and to the detriment of our beautiful countryside is not acceptable. The landscape around Burgess Hill was one of the key reasons to why I chose to move here. If out of place new build developments

that are ridiculously priced continue to ruin our community space I will be leaving the area unfortunately. Please put our local nature, wildlife, and community space before the profit for greedy building corporations. Thank you.

Kind regards
