Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	How many planning applications can there be ,this is getting ridiculous!, I've already commented on the application for the 2x4 bed houses on the same piece of land This application is overbearing,the scale and bulk of the building you can clearly see from the street scene ,the elevation of the road Over development of the site . The shop is not needed ,traffic is a massive issue on a busy

junction

No thank you for the first ,second ,or third time lost count now !!

Kind regards
