Hi Anna

Thanks for forwarding the noise management plan for Woodside Grange. Whilst we would normally expect a report from a qualified acoustician, the measures that have been specified by BearHaus to mitigate internal noise levels are inline with the measures noted in the Noise Impact Assessment prepared by Environmental Assessment Services Ltd. Accordingly, I recommend that condition 14 of DM/23/2688 can be discharged.

Regards

Adam

Hi Adam

I realise that you have been sent this Noise Report directly from the applicant with regards to the Discharge of Condition 14 of DM/23/2688 under DM/25/0240.

I shall be grateful for your comments, and whether this is sufficient to Discharge the condition?

Thank you.

Anna
