## ADVICE ON COMMENTING ON PROPOSALS

### Finding out about the Application

Try and view the submitted plans and forms before you contact the Council. Either view the plans online by visiting [www.midsussex.gov.uk/planningregister](http://www.midsussex.gov.uk/planningregister), or at our offices in the Planning Reception. Your local town or parish council will also consider the application. Most have regular planning committee meetings and, if so, you may be entitled to go along to hear what is being said. It may also be possible for you to speak at the meeting and the clerk, I am sure, will be happy to advise. After the meeting, the planning committee will submit its recommendations to us for consideration alongside other submissions from interested parties.

If you don't understand any part of the proposal, please telephone the Case Officer (name and telephone number overleaf) to make an appointment.

### What to Comment on

The only factors that can be taken into consideration are:

- Whether the development accords with the criteria set out under the relevant planning legislation
- Factual information about the length of time a building/structure/use has been constructed or taken place
- Any other evidence to support/refute the claims being made in the application

### How to Comment on the Application

- Online Planning Register [www.midsussex.gov.uk/planningregister](http://www.midsussex.gov.uk/planningregister). Your email address will automatically be removed from the information that is published on the website.
- By email to: [planninginfo@midsussex.gov.uk](mailto:planninginfo@midsussex.gov.uk)
- By letter to the address overleaf

Please ensure that your comments include the application reference number and your name and address.
