8. Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make:

We seek to amend the approved plans by relocating the proposed new Velux roof window. The approved plans show the velux window within the new South-east-facing pitched roof. The proposed amendment is to instead install the velux roof window above the existing stairwell within the north facing slope of the existing roof. The amendment is required to accomodate the insulation build up necessary to achieve the required Thermal performance, with a target U-value of 0.16 W/m²K in accordance with current building regulations. The new Velux window would give us an extra 190mm and at the same time we can keep the existing roof line. New Velux Measures 78cm X H 1960cm.
