Comments Details

Commenter Type:	Local amenity society or association
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	Discussing this with many residents, there are mixed feelings but there is a consensus not to object to the abattoir on the basis that it is solely for the use of Naked Farm. However, there would be objections if large cattle trucks were to be processing through The Street (a narrow road which is the heart of the village and the Warninglid Conservation Area) to a public abattoir. Assuming the animals are moved within the farm,

and that any proposed or potential extension to the facility is subject to further planning, the WRS raises no objection.

Kind regards
