Reasons for comment:	
Comments:	I do not want to live next to a building site nor do I want a store looking into my backgarden to then have to put up with noise of delivery's all hours of the day, the noise of people in and out the rubbish that will end up in my garden. The parking is bad enough with people blocking my driveway, I have had my car nearly hit a number of times, due to cars racing

up and down Copthorne bank.

Also they are trying to build a house next door between me and the post office, I will be living in a box and with no sun light and noise 24 hours a day, we don't need a Tesco we have plenty of shops in the community and me and my family don't need the stress

Kind regards
