Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We have 3 other local convenience stores less than 5 mins walk of each other and others nearby. Why is there any need for another? If it's a large brand all it'll do is kill village stores and we want to retain our village. Morrisons is a disaster compare to the local store before it.

This will simply serve to put others out of business and challenge
the village community we'd like to
Keep . We have enough growing crime / gangs in copthorne
without creating another "hang out" place.
No objection to a few private flats
Massive objection to a store

Kind regards
