ARCHAEOLOGICAL ADVICE

RE: Woodfield House, Isaacs Lane, Burgess Hill

The application is for Discharge of planning condition no 30 relating to Planning application DM/24/0487.

The submitted Written Scheme of Investigation suitably outlines the requirements of a scheme of archaeological trenching. As a result, I can recommend the partial discharge of Condition 30, to allow the archaeological work to commence.

The remainder of Condition 30 should not be discharged until the completion of the archaeological fieldwork (including any mitigation, if required), and the submission and approval of a report detailing the results of the same.
