Subject: DM/26/1989 - Unit A1, A2 And A3 Consort Way Burgess Hill - Discharge of conditions 5, 6 & 7

Afternoon Jo,

I was just looking at the above application.

- **Condition 5 Parking** – 32 spaces were secured with the planning application and site plan that was approved. I note now 23 spaces are proposed for the discharge of condition application. I can't find anything related to the reduction or an agreed reduction in spaces in the planning documents. Do you have any information on this please?
- **Condition 6 Cycle Parking** – WSCC are satisfied with the provision but note your comments about the stands being 'fixed'. It is unclear from the planning documents/pictures if these stands are complete and have been installed and fixed down securely to provide satisfactory provisions, could you confirm please?

Kind Regards,
Emma
