Reasons for comment:	
Comments:	As a player myself and parent of a boy and a girl also playing at Keymer and Hassocks CC, I fully support this planning application. It will improve local community cricket provision in the village and enable the club to go to the next level for our 40 adult members and 120+ juniors, including our fast-growing girls' section. It is essential for KHCC to keep pace with other local clubs, as we have lost junior players to other clubs with practice facilities similar to this proposal.

The club has shown its commitment to this project by self-funding over £26,000 and securing grants worth approximately £38,000.

Thank you for your consideration.

Kind regards
