Estimate – upvc windows

4th February 2026

Dear Mr and Mrs Littlecott

Many thanks for your recent enquiry for the supply and installation of upvc window to be installed in at the above property.

Product	Three White upvc windows. Two windows rosewood out, white in.
Beads:	Internal chamfered glazing beads.
Hardware:	Shootbolt locking. White handles. Trickle vents
Glass:	28mm glass units, inclusive of warm edge spacer bar and argon gas filled. Patio doors toughen glass
Cill:	150mm Cills.
Aluminum patio:	white aluminum direct fix patio doors (no hardwood surround).

Finish: All frames will be suitably sealed around the frame both externally and internally with a suitable sealant provide a neat and weatherproof detail. Where required frames will be trimmed up with Upvc trims trim internally and externally, cleaned inside and out.

All Items viewed from outside. Point of arrow denotes hinge position.

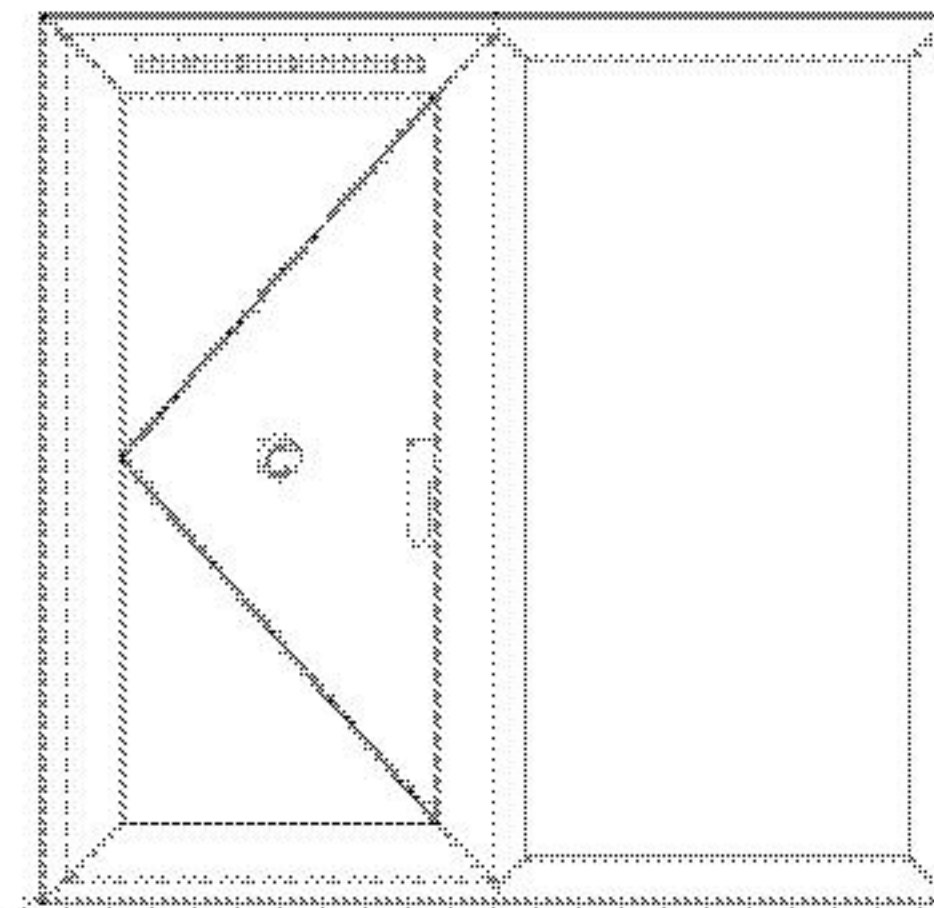

Kitchen.

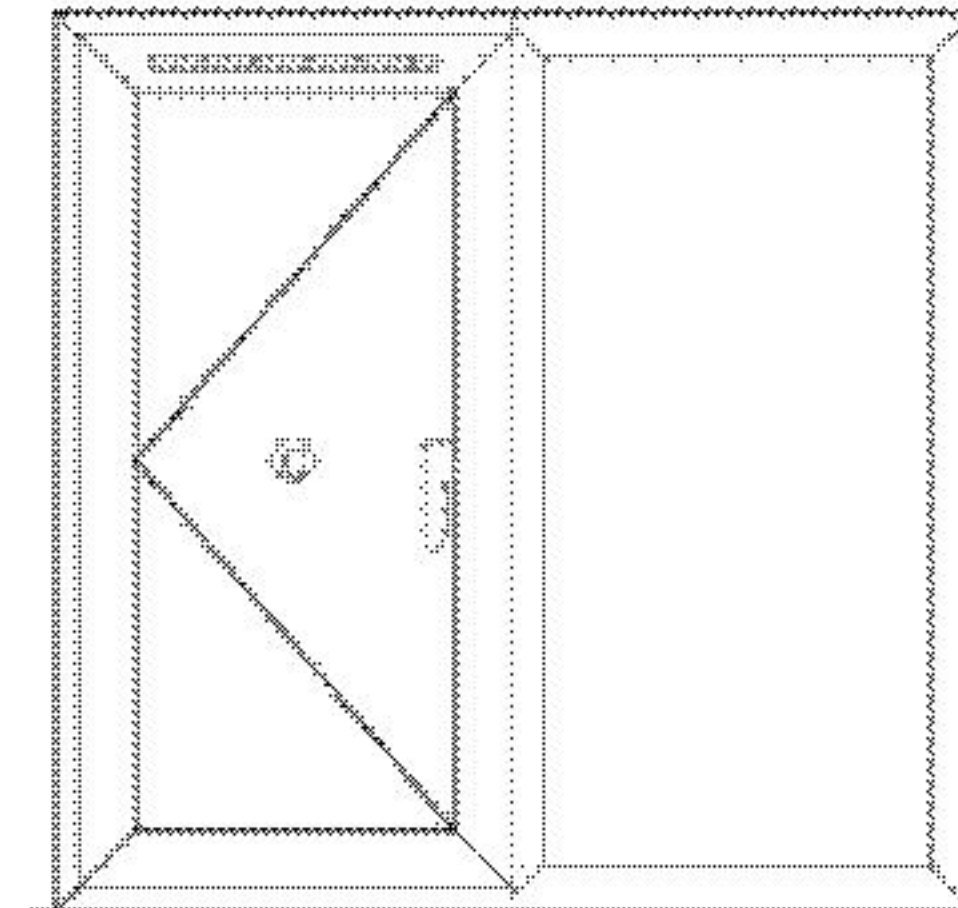

Lounge side

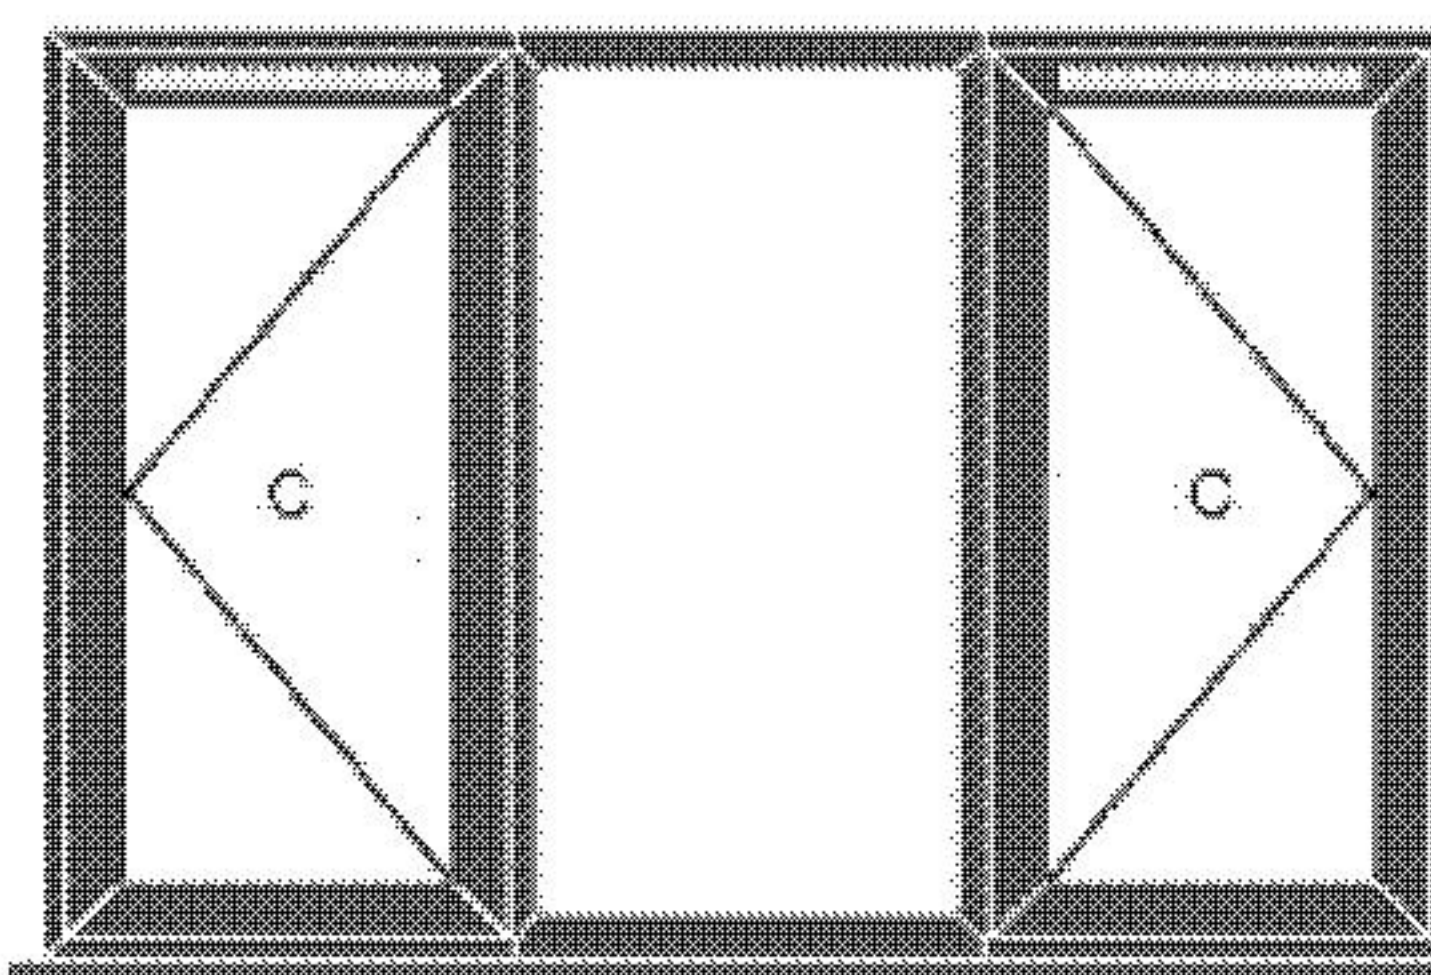

Lounge front

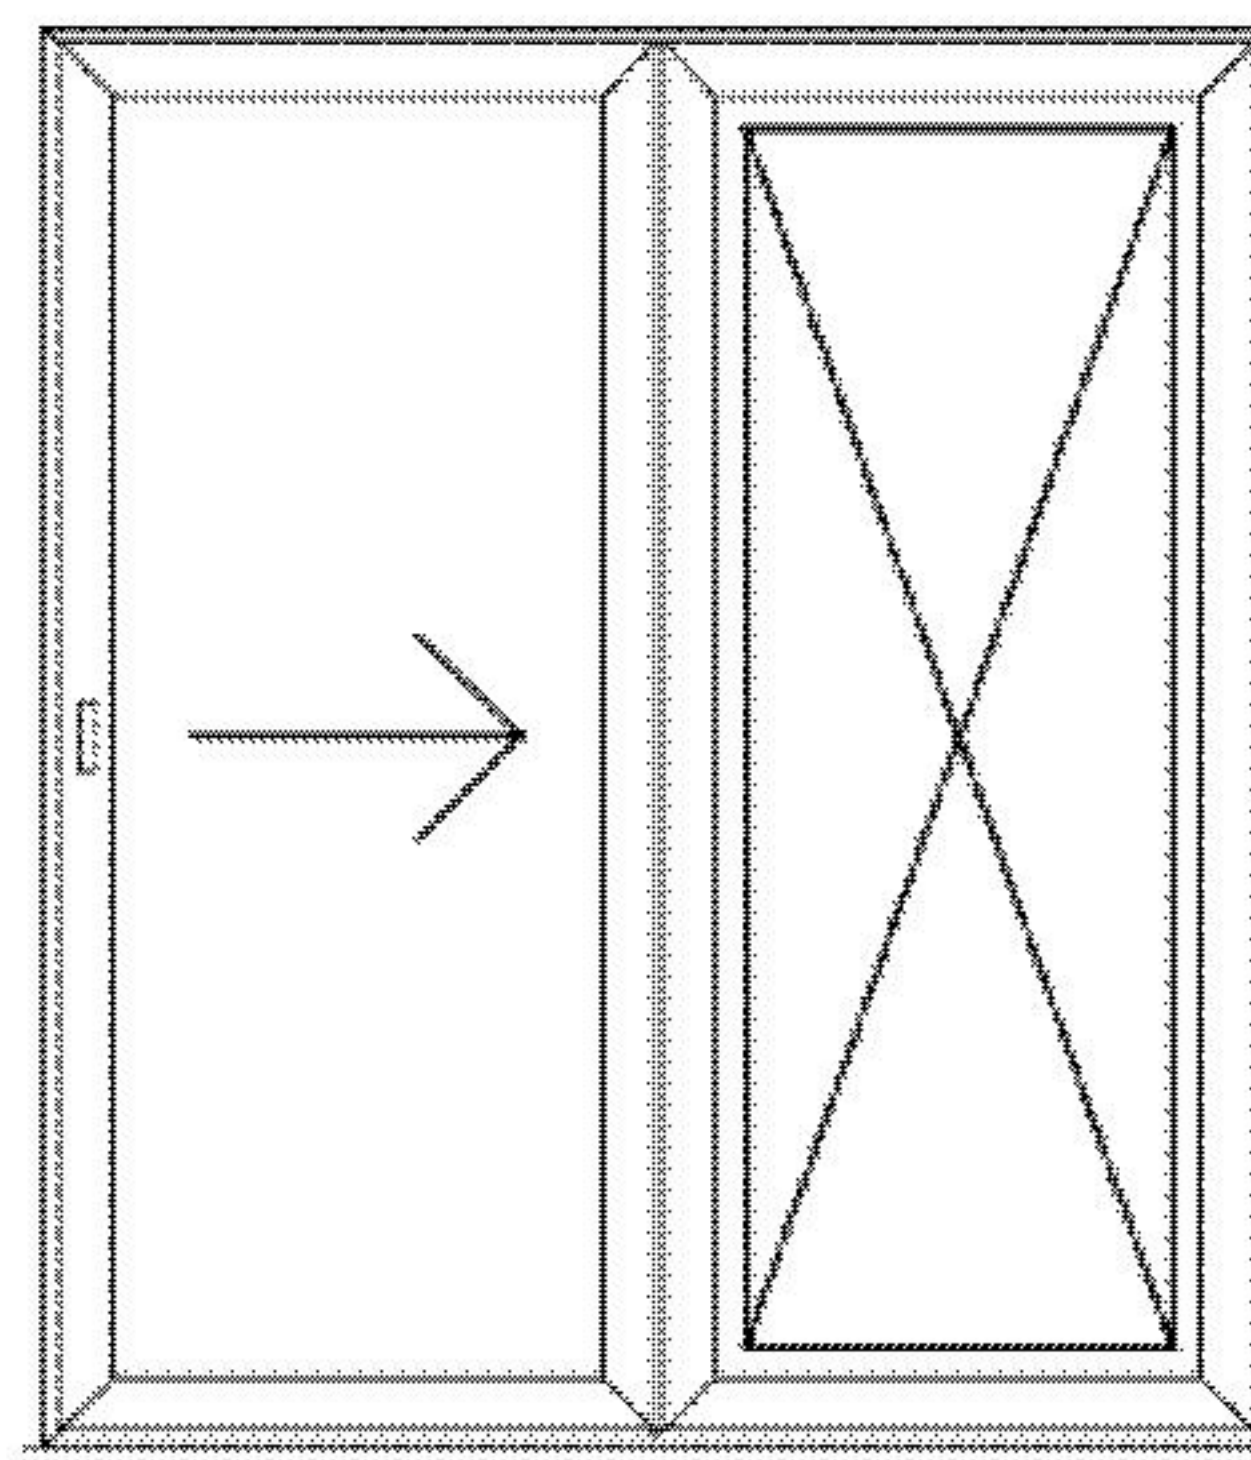

Taylor's bedroom

Jordens bedroom

Lounge patio doors

Upvc patio doors would be cheaper than aluminum doors. I have based the estimate on the existing being aluminum.

Our prices are inclusive of materials mentioned, labour and vat at the prevailing rate.

We are a certass registered company and have all MTC certificates and cards, all double glazing contracts come with a manufacturing guarantee.
