Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object as I have done so previously there are so many reasons, too large, obtrusive, no mains water drainage, damage to the wildlife, not enough parking allowance which will impact the neighbouring area, and how the buildings will negatively effect the quality of life of the surrounding occupants. Nothing seems to have changed significantly from the previous applications, please do. To allow this to go ahead.

Kind regards
