Comments:

The Town Council OBJECTS to this application on the basis that there is insufficient evidence to assess the impact of noise on nearby residents. The Town Council would like to see a Noise Impact Assessment to allow the Local Planning Authority to make an informed decision on the impact of residents who were in place before the nursery opened. Additionally, the Town Council has concerns about the additional traffic the nursery brings to the area, particularly blockages caused by parking cars during drop off and pick up times which may cause a hinderance to emergency and waste vehicles trying to access the site. The Town Council would like to see an Transport Statement related to this application.

Finally, the Town Council wishes to state its disappointment that's AGE UK, as landlord to The Garden Room, has allowed the nursery to occupy a site that should be used as a quiet, peaceful environment.

Kind regards
