MID SUSSEX DISTRICT COUNCIL

DM/26/0980

**Land To The Front Of , 22 To 32 High Street, East Grinstead, West Sussex, RH19 3AS, ,
Lime x 5 : Re-pollard and remove epicormic growth
Mr Marcus Du Preez**

The proposed work is as described.

The trees are in the high street in East Grinstead and are highly visible from the public realm. They are managed by West Sussex County Council Highways team.

They have been previously pollarded several years ago and as such the best management for these trees is to repollard them.

With regard to the comment made from the member of the public, MSDC cannot control when trees are pruned.

No objection is recommended.

Decision: No Objection
