Solar panels at 5 Oaks Lodge

Dear [REDACTED]

[REDACTED] seems to be having trouble sending emails, so I'm sending from my own address.

Below are a few words towards your retrospective planning application for solar panels.

Kind regards

To whom it may concern

We are happy for the solar panel array located at 5 Oaks Lodge to remain and have no objection to the retrospective application. They cause us no inconvenience or eyesore, being behind a hedge.
