Attention: MSDC planning department

We are neighbours resident at 'Penharbour', Pomper Lane. We have heard that there is an issue relating to the solar panels erected in the field next door. Please note, we have no issue whatsoever with this very limited construction and fully support any retrospective application now made. [REDACTED]

Hi Ray.

Please make as a new email to 'Attention of MSDC planning department.'

If you return it to this email address I can attach it with my supporting documentation.

Many thanks
