North – Adjacent neighbouring property immediately to the north of the site with a flat roofed garage element within the closest proximity to the application site.

South – Neighbour to the south does not appear to have a facing window within the side gable but does feature front and rear dormers.

East – Looking from the garden, the existing rear elevation is to the east which appears to have previously been extended through a single storey conservatory. To the front, there is existing garden amenity space and a front driveway setting the dwelling back from the highway edge.

West – From the front, the principle elevation is set to the west which features projecting bays. To the rear, there is garden amenity space with some planting.

Streetscene – A number of bungalows are set to the eastern side of the highway, with some having been extended through loft conversions.
