Dear Cllr Zeidler,

Please see the attached comments from Emily Wade, who raises no objection to the application.

Following these comments the application will added to the agenda to the next available on 12th February. To allow the application to be determined in time after this date I would like to request an extension of time to 16th February. Please let me know if this date is acceptable.

I note that the description of the application is as following: *Erection of a flagpole up to 6m high*. However as the height of the flagpole is 6 metres on the plans, I would like to request the following amended description: *Erection of a 6 metre high flagpole*.

Please let me know if this is acceptable.

Kind Regards
