Reasons for comment:

Comments: I am director of rugby and an U12s coach at Burgess Hill RFC. Our town has missed Park Centre for too long. As someone who grew up with Park Centre attending pre school there and then when I was at Oakmeeds attending youth evenings and moving onto using the gym into my early 20s I think it offers so much for the youth of today.

When overuse of screen time and concerns with health and wellbeing feature in our children's lives today, I personally believe Park Centre could help massively in their lives.

Kind regards
