Commenter Type: Business or other organisation

Stance: Customer made comments in support of the Planning Application

Reasons for comment:

Comments: The Park Centre will be a fantastic hub for the community. Any development of the current building and grounds will boost and improve it's provisions for the people of Burgess Hill. I hope to be able to hire the centre in the future and feel that improvements will make the building a better, safer and more comfortable place to hire and use. I fully support this application.

Kind regards
