**Stance:** Customer made comments in support of the Planning Application

**Reasons for comment:**

**Comments:** I used the park centre as a child in the 60s, this building needs to be used for the benefit of the community. The youth of Burgess Hill deserve a place to meet up safely and supervised. Anyone objecting to this didn't have the pressure the young of today are buried under. Having somewhere to meet is not a lot to ask for I

would think. Especially when supported by the community, not trying to stop it for no reason.
