### Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Due to the congestion of Kiln aortas this road can't take anymore traffic - the potholes have to be repaired regularly - the entrance to the proposed site will change the appearance of the close. The neighbours who have lived these for many years will be impacted horrendously. No consideration has been given.

Kind regards
