Reasons for comment:	
Comments:	There will be poor access to the new estate, it will also have a impact to the kiln road/woodlands close junction which is poorly signposted and will be a high risk of a accident.. kiln road is not suitable for a high number of heavy construction traffic as it has already been patched up in at least 25 places, is the school able to cope with the extra families. Is there enough parking in the new

estate allowing a minimum of 2 cars per house Which seems to be the norm
