Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	1. Wickham fields is one of the few remaining open natural spaces for the local community including hikers and dog walkers. 2. Further development also does not seem to provide further amenities and the local GP practices and schools are not able to absorb more residents. 3. Access will cross a well used public footpath and destroy an area of local beauty. 4. Access is limited and considerable additional traffic will be generated through with Gatesmead, Portsmouth Lane, Gander

Hill and Summerhill Lane

5. There are numerous brownfield sites that should take precedent over any and all Greenfield sites due to existing amenity provision and saving the Greenfield areas of Haywards Heath

Kind regards
