Hi Andy

Comments on the above discharge of conditions application:

Condition 3: Materials

I can't see any details further to annotations provided on the approved elevations, and a note relating to grey Spanish slate on the application form? We need a comprehensive schedule of all facing and roofing materials, with manufacturer or supplier details, product range and colour as appropriate.

Condition 4: Detailed drawings of typical examples of new windows, glazing to the garage link, and external doors and typical eaves details

No details have been provided in respect of any of the above.

Thanks,

Emily
