Dear Catherine Cardin

Further to your planning application notice and our telephone conversation on 16th January,
Regarding the planned rear dormer “ extension to no 4 which is adjoined to my own property .

I would like to confirm to you my concern. have regarding the planned extension.

I am given two months notice as the 1996 act , possibly less if a party wall agreement is granted, to safeguard both parties concerned.

To avoid any pitfalls further on.

Yours faithfully
