SPECIALIST ARCHAEOLOGICAL ADVICE

Dear Andy,

RE: DM/24/2934 -

**Discharge of planning condition number 4 relating to
planning application DM/24/1384
Land Opposite Mulberry Cottage Old Place, High Street,
Lindfield**

Thank you for consulting the Historic Environment Consultant to Mid Sussex District Council on the above discharge application.

The submitted Written Scheme of Investigation suitably outlines the methodology and archiving commitments of the required scheme of archaeological work. As a result, I am happy to recommend the discharge of the pre-commencement element of Condition 4, to allow the development works (and the archaeological monitoring and recording) to begin.

The remainder of Condition 4 should not be discharged until the submission and approval of an appropriate report detailing the results of the archaeological work.

Yours sincerely
