Subject: Objection letter re: DM/23/2866 and DM/23/2867. On behalf of the Stop Cuckstye Action Group.

[REDACTED]

Dear Sir/Madam, I would like to add my name to those opposing the development of the Cuckstye project. I believe that on environmental, humanitarian and practical grounds the project to be unacceptable and unrealistic, at least regarding the the size proposed currently. If you could ensure that my name is added I would be most grateful. Many thanks. Kindest regards [REDACTED]
