Subject: Response regarding DM/24/2288

[REDACTED]
To who it may concern,

I am writing as a Burgess Hill resident to stress the need for Park Centre to obtain planning permission for a lift to the first floor, a changing places toilet and level access at key entry and exit point. The town will hugely benefit from this once well-used community centre being open again and accessibility is a crucial feature that needs addressing so it is inclusive and safe for all.

Your sincerely.
