Subject: DM/25/0612 - 32 Rolfe Drive, Burgess Hill

Dear Katherine,

I have reviewed the Tree Survey/ Report for this proposal and whilst I not the loss of one category C tree, this is not a constraint to development. The category B oaks will be adequately protected, provided that the tree protection measures in the report, method statement and Tree Protection Plan (TPP) are implemented.

Please do condition adherence to the Tree Report and TPP.

I have no objection.

Kind regards

Emma
