

*The duration of temporary impacts to habitats can not exceed 365 days from the date of first commencement of Destructive Works within the area demarcated. Before the final day of permitted impact, habitat restoration work must be undertaken to enable habitat to return to the pre-impact condition.

**Works are not permitted to directly or indirectly impact waterbodies 'P1' and 'P3' (including but not limited to pollution from runoff, dust, debris etc. both during and after construction). These ponds are not permitted to be impacted by any increase in direct lighting both during and post construction.
