MID SUSSEX DISTRICT COUNCIL

DM/25/2432

Hassocks Parish Council, The Parish Centre, Adastra Hall, Keymer Road, Hassocks, West Sussex, BN6 8QH

Oak Trees X3 - Crown reduce on tennis court side by approx 2m and no further than previous reduction points.

Jane Barker

Permission is sought for the works as described.

The trees are within Adastra Park, growing in a narrow corridor behind the tennis courts and residential property gardens.

The application has been substantially amended to more accurately reflect what the parish council wish to achieve.

The trees have previously been reduced back from the tennis courts, where a particular issue with the mast year is being experienced currently. Works will address this, although the location of the tennis courts beneath the trees' canopy will remain an issue.

There will be limited impact on the long term health or amenity value of the trees.

Permission is recommended.
